Defendant: Manuel Arturo Garcia-Valenzuela

Case Number: 1:11CR02325-001JB

## **IMPRISONMENT**

The defendant is hereby committed to the custody of the United States Bureau of Prisons to be imprisoned for a total term of 8 months.

One month of said term shall run consecutively and 7 months of said term shall run concurrently to the District of New Mexico, Case No. 2:11CR02697-001 JB.

A term of supervised release will not be reimposed.

Although advisory, the Court has considered the Guidelines and, in arriving at its sentence, has taken account of the Guidelines with other sentencing goals. Specifically, the Court has considered the Guidelines' sentencing range established for the applicable category of offense committed by the applicable category of Defendant. The Court believes that the Guidelines` punishment is appropriate for this sort of offense. Therefore, the sentence in this judgment is consistent with a guideline sentence. The Court has considered the kind of sentence and range established by the Guidelines. The Court believes that a sentence of 8 months reflects the seriousness of the offense, promotes respect for the law, provides just punishment, affords adequate deterrence, protects the public, avoids unwarranted sentencing disparities among similarly situated defendants, effectively provides the Defendant with needed education or vocational training and medical care, and otherwise fully reflects each of the factors embodied in 18 U.S.C. Section 3553(a). The Court also believes the sentence is reasonable. The Court believes the sentence is sufficient, but not greater than necessary, to comply with the purposes set forth in the Sentencing Reform Act.

	The court makes these recommendations to the Bureau of Prisons:
	The defendant is remanded to the custody of the United States Marshal.  The defendant shall surrender to the United States Marshal for this district:  at on  as notified by the United States Marshal.  The defendant shall surrender for service of sentence at the institution designated by the Bureau of Prisons:  before 2 p.m. on  as notified by the United States Marshal  as notified by the Probation or Pretrial Services Office.
	RETURN
I have	e executed this judgment as follows:
